and Can’t Do for an Asset”**

SECTION CHAIRMAN CORNER

The Arkansas Section of SPE starts out a new program year with a fine set of officers and a star studded lists of speakers for future meetings. Our program chairman Justin “JD” Justin has done an outstanding job of meeting the interest of section members by obtaining a great list of speakers. Following is a early list of programs. - - - Wes Eckles, Jr., Section Chairman

All meetings are on Tuesday except where noted:

Oct. 9 - Phiroze Patel, Area Energy LLC,
“Innovations in the Oil Field - you can do it!”

Nov. 13 - Susan Beck, Weatherford, *“Reciprocating Rod Lift Systems - Advances in Surface Units and Automation Options.”*

Dec. 14 (Friday) - Larry Britt, NSI Technologies, *“Application of Low Viscosity Fluids to Hydraulic Fracturing.”*

Jan. 8 - Rob Schott, International Lift Systems, *“Gas Well De-liquidization.”*

Feb. 5 - Ronald Harrell, Ryder Scott Co., *“Petroleum Reserves Estimates - Where we have been. Where we are and Where we appear to be headed.”*

Mar. 11- Bill Mahler, Wild Well Control, *“Well Control, Blowouts and Oilfield Firefighting.”*

Apr.8-May 13 - To be announced
